Internet

Estimado Señor o Señora

10 Noviembre 2015

Por favor acepte mi más sincero agradecimiento por tomarse el tiempo de evaluar esta solicitud. Mi nombre es Jose Lopez, tengo 35 años de los cuales 17 han sido enteramente dedicados a mi profesión en el área tecnológica y en particular el Internet.

Cuento con un amplio arsenal de conocimientos en todo lo que envuelve la Red, desde la Administración de Servidores hasta el Desarrollo de Páginas... y todo lo que existe de por medio. He trabajado con varias corporaciones de renombre en todo el mundo y algunos individuales reconocidos como:

- iGlobalMedia Corporation (ahora conocido como PartyPoker)
- La Familia Bluhdorn en New York
- Teckmark Media / Password by Phone (basada en Alemania)
- Tweaky / ELTO (ahora adquirido por Godaddy / GDDY)
- Tim Ferriss (autor del libro "The 4-Hour Work Week")
- Fresh Development (basada en Inglaterra)

He protagonizado el desarrollo de varios proyectos exitosos en múltiples industrias, para algunos de los cuales aun ofrezco consultoría continua. La fuente de mi éxito se fundamenta en mi habilidad de adaptar, entender, aprender y apalancar las complejidades de cualquier reto en virtud de los objetivos planteados.

El Internet (y la tecnología en general) es mi pan diario y como Profesional de la Web estoy seguro de ser un elemento de alto valor para cualquier entidad que busque expandir sus servicios en línea.

Gracias anticipadas.
